

PARENT VOLUNTEER SURVEY

Helping our kids—helping our school

"Together Everyone Achieves More (T.E.A.M.) in a Year of Innovation"

Together we can make a difference in our children's education at First Avenue. We know that our children learn from adults who care about them. Giving of your time, your talent and ability will not only help our school but will enhance our children's learning. Please join us in volunteering as your time allows, PLUS, we would love to meet you and get to know you better!

Remember, we are 100% volunteer organization. We cannot do it without your sense of volunteerism to the school and your willingness to make a difference in your child's education. Volunteer Today!

PTSA will contact you prior to the actual event to determine your availability to volunteer. We understand things change. By expressing your interest today, it does not commit you in the future. We will contact and confirm with you closer to the event date.
